## Thank You For Your Interest In Pella® Products

### PELLA WARRANTY:

Pella products are covered by Pella's limited warranties in effect at the time of sale. All applicable product warranties are incorporated into and become a part of this contract. Please see the warranties for complete details, taking special note of the two important notice sections regarding installation of Pella products and proper management of moisture within the wall system. Neither Pella Corporation nor PELLA WINDOWS & DOORS, LLC will be bound by any other warranty unless specifically set out in this contract. However, Pella Corporation will not be liable for branch warranties which create obligations in addition to or obligations which are inconsistent with Pella written warranties.

Clear opening (egress) information does not take into consideration the addition of a Rolscreen [or any other accessory] to the product. You should consult your local building code to ensure your Pella products meet local egress requirements.

Per the manufacturer's limited warranty, unfinished mahogany exterior windows and doors must be finished upon receipt prior to installing and refinished annually, thereafter. Variations in wood grain, color, texture or natural characteristics are not covered under the limited warranty.

For more information regarding the finishing, maintenance, service and warranty of all Pella® products, visit the Pella® website at [www.pella.com](http://www.pella.com)

**BRANCH WARRANTY:**

The full text of the manufacturer's current warranty can be found at <<http://www.pella.com/products/warranty.asp>>. Supplier (PWD) offers the following Limited Warranty:

**LIMITED WARRANTY**

PWD MAKES NO WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER NATURE OR GUARANTEE, EXPRESS OR IMPLIED. UPON REQUEST, PWD WILL PROVIDE THE MANUFACTURER'S WARRANTIES CURRENTLY IN EFFECT RELATED TO THE MATERIAL SUPPLIED. THE MANUFACTURER'S WARRANTIES SHALL HAVE NO EFFECT UNTIL PWD HAS BEEN PAID IN FULL ALL SUMS DUE AND OWING FOR THE PRODUCT OR MATERIALS SUPPLIED PURSUANT TO THIS CONTRACT.

In no event shall PWD or Pella Corporation be liable for consequential, indirect or incidental damages or for any amount in excess of the purchase price whether the claim is for breach of warranty or negligence.

**NATURAL PROPERTIES OF WOOD MATERIALS**

Wood is a natural product and that variations in grain and shading will occur and because no two pieces of wood are exactly alike, variations after finishing are to be expected and are not considered defects.

**Custom Materials**

Customer recognizes and acknowledges that the product or materials supplied by PWD are custom in nature and there is no ready market or value other than for the job for which the materials are manufactured and/or supplied. If Customer at any time fails to pay PWD for the materials supplied, PWD may, at it's option, suspend all deliveries or terminate the Contract with the Customer. Such suspension or termination DOES NOT excuse payment for those materials and products already manufactured at the full contract price or payment for any component parts already purchased and obtained by PWD.

**Title**

Title, ownership and the right to possession of the product or materials furnished or to be furnished by PWD shall remain in PWD until PWD is paid in full. PWD shall have a right to possession of the product or materials but is not obligated to repossess the materials in the event of non-payment. PWD's right to repossess materials is in addition to, and not a limitation upon or a waiver of PWD's other legal rights including the right to place mechanic's liens against the real property for which materials were supplied. All risk of loss or damage shall pass to the Customer upon delivery of the materials. In the event PWD elects to repossess any materials for which payment in full has not been made, Customer shall be responsible for any damage to or loss of materials and their component parts.

**Risk of Loss**

Although title and ownership and the right to possession of the materials or product furnished or delivered to the Customer shall remain with PWD until the materials are fully paid for, the risk of loss for the product or materials once they are delivered to the Customer shall be the Customer's responsibility. Therefore, the customer must maintain sufficient insurance to cover any damage, vandalism or any other loss to the product or materials. Any insurance proceeds would be paid over to PWD for the full amount owed to PWD in the event of any loss.

**Dispute Resolution.**

Direct Discussion. If a dispute arises out of or relates to this Agreement, the parties shall endeavor to settle the dispute through direct discussion.

Mediation. Disputes not resolved by direct discussion shall be submitted to mediation pursuant to the Construction Industry Mediation Rules of the American Arbitration Association. The parties shall select the mediator within fifteen (15) days of the request for mediation. Engaging in mediation is a condition precedent to any form of binding dispute resolution. This provision shall not act to delay Supplier filing a mechanic's lien foreclosure action. The cost of any mediation proceeding shall be shared equally by the parties participating.
